ABOUT US

After having created the first Silver Polish with tarnish preventive, William J. Hagerty founded Hagerty in 1895 in South Bend, USA. Neighbours and friends were his first clients, then mail orders started coming. In the early 50's, other high-quality cleaners were developed by William Hagerty's grandsons: cleaners for jewelry, fine silver items, and cutlery.

Today, with more than 130 years of expertise, Hagerty is based in Switzerland and present in over 70 countries. Hagerty develops and commercialises specific care products for Jewellery, Watches and Accessories, Decoration items, Tableware, Carpet, Textile and Multi-surfaces.

Taking care of your precious objects, whether indoors or outdoors, is Hagerty's mission!
