Hagerty®

SINCE 1895

ABOUT US

After having created the fifirst Silver Polish with tarnish preventive, William J. Hagerty founded Hagerty in 1895 in South Bend, USA. Neighbors and friends were his fifirst clients, then mail orders started coming. In the early 50's, other high-quality cleaners were developed by William Hagerty's grandsons: cleaners for jewellery, fine silver items, and cutlery.

Today, with more than 130 years of expertise, Hagerty is based in Switzerland and present in over 70 countries. Hagerty develops and commercializes specifific care products for Jewellery, Watches and Accessories, Decoration items, Tableware, Carpet and Textile, Multi-surfaces with various materials, and now, a dedicated outdoor range.

Caring for the objects you love through time — and preserving them for tomorrow — is our legacy.
